Sports Physicals

Doc Levi Chiropractic, PLLC is now offering sports physicals.

It is recommended that students wishing to participate in athletics get their physicals done approximately six weeks before the sport season begins. This allows time for any tests that might be recommended, follow up exams, or rehabilitation of any conditions that may prevent the athlete from being able to participate.

Walk-ins are welcome.

Cost of the physicals are \$20.00

Students must bring the sports physical form provided by their school **signed by a parent/guardian** to receive a physical. We do carry the WVSSAC “Athletic Participation/Parental Consent/Physician’s Certificate Form” at the clinic, but it must be signed by a parent/guardian.

As a former student-athlete, Dr. Merritt takes a special interest in sports related injuries and rehabilitation. We offer conservative care, without the use of drugs or surgery. If you believe you have an athlete that needs medical treatment, we take pride in the level of care we provide.

Consultations for patients are free.

We look forward to working with your school and your athletes in the future.

Yours in Health,

Dr. Levi G. Merritt, D.C.
